About MK Community Foundation

- Established in 1986, MK Community Foundation is a grant-making charity sending funding where it's needed most in Milton Keynes.
- The Foundation gives out an average of £1.6m in grant funding and a further £1.3m in rental subsidy support each year.
- We are part of the wider UKCF network of 47 community foundations in the UK covering different geographic locations.
- Our grant making is guided by our Vital Signs research which aims to collect the most up to date information about the issues affecting Milton Keynes, our impact goals and feedback from the local Voluntary and cultural sector.
